FROM THE PARISH PRIEST

THE ORIGIN AND THE GOAL OF ALL CREATION

Now that we have celebrated the mysteries of our Redemption in the first half of the Church's year, today we seem to take a look back. At Christmas we recalled that until God sent us His Son, born of the Blessed Virgin Mary, we knew of Him only what He had revealed in the Old Testament. Once Christ had shown us His human face, we then saw the "image of the Father", as He taught the Apostles to see Himself. In the celebration of His Passion, Death and Resurrection at Lent and Easter we have once again seen Him as the One who reunites fallen human nature with our heavenly Father. Indeed, it is Christ who has taught us to call God "our Father", and we could not properly do so had he not allowed us and encouraged us to do so. In His Ascension to heaven, we have rejoiced to learn that at last eternal life with God is open to us, thanks to Him. We also recall His promise not to leave us as orphans but to come back again, and to send us the Holy Spirit to lead us into all truth and to make us holy as He is holy. At Pentecost we have just celebrated the fulfilment of all that Christ has won for us, now at last "poured into our hearts" by the coming of the Holy Spirit who, like the Father and His only Son, is true

God from true God. Thus, in the conclusion of Easter which Pentecost is, the fullness of God's saving work and of His revelation of Himself has at last been made known to us.

GOD IS PERSONAL

What then have we learned from this series of feasts and celebrations? That God is One we already know. That much has been revealed from the very beginning. God has always shown Himself to be more than a "force". He is personal. But in sending us, first of all His Son, and then, secondly, His Holy Spirit, He reveals Himself as three within the one single godhead. We can never fully understand such a great mystery, but we are able to gain a glimpse from the coming of the Son and Holy Spirit. When we call God "Father", we are giving Him a name which has actually always belonged to Him, because He has always had a Son. It is otherwise with men. Men can only become fathers when they beget a child, so there is always a time beforehand when they are not yet fathers. But God's fatherhood is eternal, because His Son is co-eternal with Him. So in what sense is the Son of God "begotten"? It is in the sense that the Son is the *perfect copy of His Father*. For instance, when we see a resemblance between a father and his son, we always say that the son is like his father, not the other way around. That is because we recognize not simply that a human father existed before his son, but also that the son's likeness to his father depends on his father, who has given him his life and identity. Note that we are speaking only of the relationship between father and son because it helps us to understand what is meant by speaking of God as being "Father" and "Son"; so if we do not mention the role of a human mother in this context it is not because it is of less importance to us. Now in the case of God the Father and His Son, the likeness is total, and has never had any beginning or development. Moreover, the bond of love that unites the Father and Son is so complete that it is also personal—it is the Holy Spirit. The gift of the Holy Spirit which we received in our baptism and confirmation continues to make God's presence a reality in the hearts, souls, minds and even the bodies of all those who live life according to God's Will. It is the same Holy Spirit who will bring us safely through this life, God willing, into an ever greater union with the Father and the Son, until we become one with Him and with all redeemed humanity in the glory of heaven which Christ has won for us.

Friday 1st June: First Friday with morning Mass, Holy Hour at 6:30pm and Mass at 7:30pm

Saturday 2nd June: Traditional Latin Mass at 11:00am in the chapel

FEASTS OF THE WEEK:

St Justin (100-165) was a Palestinian Greek who, having studied philosophy, was converted to faith in Christ. He wrote two notable "Apologies", or "defences" of his faith for which we learn a great deal about the faith and practice of 2nd century Christians.

Ss Marcellinus & Peter were Roman martyrs under the emperor Diocletian (c. 304 A.D.)

Pilgrimage: Fr Paul Dobson will be leading a 15 day pilgrimage to Greece and Malta **21 October to 4 November 2018**, following in the footsteps of St. Paul. Please contact the office for details and the itinerary.

Living the Gospel by helping young families succeed

Camila was attending programs at Rose of Sharon Services for Young Mothers when she and her daughter were kicked out of the family home. As counsellors helped her search for an affordable apartment, she became pregnant a second time. Despite these challenges, Camila attended every program available to her at Rose of Sharon. At the end of the year, she walked out a stronger woman with a plan to achieve the life she wants for herself and her daughters. Last year, at ShareLife-funded agencies that assist young mothers, over 1,000 clients like Camila received support for their new families.

**Today is ShareLife Sunday.
